02. THE FUN PART!

Now's the time to design the trip of your dreams! We will work with the information you provided to create a custom itinerary, recommending the best accommodations, activities, and more. We will provide our "insider" knowledge and work with you to fine-tune the details until we have created a bespoke and memorable itinerary just for you.

We will work with our travel partners to get you the VIP treatment, which often includes:

- Daily breakfast for two
- \$100 resort credit
- Upgraded room upon arrival, subject to availability
- Early check-in / late check-out, subject to availability

03. TIME TO BOOK

Once we have designed the perfect itinerary, we will take care of all your travel reservations, and you will be notified of cancellation policies, when deposits are due, etc. We will assist before, during, and after your trip.

04. BON VOYAGE!

It's time to send you off on the getaway of a lifetime, and we will make sure you are prepared & ready to go! We will provide you with all of your confirmations and a personalized digital itinerary. 01. WHAT IS THE BENEFIT OF WORKING WITH A TRAVEL ADVISOR?

Travel advisors still play a crucial role in the travel industry, and their expertise and services continue to be highly valuable to clients. While technology has made it easier for travelers to book certain aspects of their trips online, travel advisors bring first-hand knowledge, a high-touch experience, unmatched connections around the world, and in-destination support.

02. DO YOU GET BETTER RATES THAN IF I BOOKED MYSELF?

My goal is to ensure that you have the best experience possible that is perfectly matched to your vision and interests. There are many times that I do have access to negotiated rates, but the real value is in how I can save you time, stress and frustration either prior to traveling or while actually in the destination. If you're looking for a custom-made seamless planning and travel experience, I'd love a chance to show you the difference of working with a travel advisor!

03. WHY DO YOU PROVIDE BUNDLED PACKAGE RATES?

As a travel advisor, my focus is on curating comprehensive travel experiences rather than just providing individual component prices. I take a holistic approach to trip planning, considering various factors such as accommodations, transportation, activities, and additional services to create a seamless itinerary tailored to your preferences. By bundling these components together, I can leverage my industry relationships to secure the best overall value for your trip.

04. DO YOU HAVE A TRIP MINIMUM? RECOMMENDED BUDGETS?

We specialize in high-end hotels and custom itineraries. Most of the properties we partner with start around \$600 per night before taxes, and full-service itineraries typically start at \$15,000 per week for two travelers (excluding international flights).

For fully customized trips with accommodations, transportation, and curated activities, we recommend the following starting budgets for two travelers:

- **Europe:** from \$15,000/week, excluding international flights
- **Africa & Safari:** from \$20,000 for 10-night luxury safari, excluding international flights
- **Overwater Bungalows:** from \$15,000 for 8 nights, excluding international flights

These ranges help ensure we can deliver the level of service, quality, and experiences our clients expect.
